RecyPlast
(Recycled Plastic)

- Picnic set consisting of a table and two benches. (Table and benches can be ordered separately).
 - Available in two versions:
 - a) Wood.
 - b) Recyplast-Recycled Plastic (does not require maintenance) **
 - ** Version especially recommended for promenades, coastal areas or places with high exposure to saline corrosion.
 - Adapted for handicapped people: the sides of the table have a width that allows access with a wheelchair.
 - Two installation options:
 - a) Independent: Benches and table each fixed independently to the ground by 4 M8 expanding bolts (included).
 - b) Joined set: Benches and table joined by a joining kit (sold separately) that allows the form of a set with the three elements (advisable to be installed in those places where it is not desired or not possible to fix the set to the ground). The joined set can also be anchored to the ground using 4 M8 expanding bolts (included).
 - Accessory: bench and table joining kit.
 - Support structure made of 3, 5 and 10mm thick galvanized and pickled steel with anticorrosive primer rich in zinc and thermo-heating polyester powder coated finish.
 - Table top and seating area made of:
 - a) Tropical wood protected by water-based "lassure".
 - b) Recycled plastic from post-consumer plastic waste (recyplast).
 - Delivered assembled or unassembled according to the needs and requirements of the customer.
 - Part of the Malaga street furniture collection: Bench, Litter Bin, Planter and Chaise longue.
 - Guaranteed reliability: this product has satisfactorily exceeded functionality and endurance tests under real environmental and usage conditions.
