cardboard bodies

Body mount

Frontal adhesive (accessory)

- Economic bin consisting of a cardboard body and a plastic lid available in seven colors (grey, green, yellow, blue, brown, white and black).
- Capacity 45L.
- Foldable and reusable.
- Quick and easy assembly. Without adhesive nor glues.
- Replacement cardboard bodies available.
- Includes a set of adhesives with multiple combinable options of colors and waste symbols to be placed on the lid to identify the type of waste to be deposited.
- Possibility of forming recycling stations by placing several bins together.
- The bag is secured in place by the removable lid covering
- Body made of Kraft anti-humidity channel 5 cardboard.
- Lid made of plastic material (Polypropylene) with protection against the UV radiation.
- Suitable to be used indoors.
- Minimum order required 3 units.
- Guaranteed reliability: this product has satisfactorily exceeded functionality and endurance tests under real environmental and usage conditions.

To process your order, all the codes that create the detailed reference must be chosen.
